British multinational oil & gas company

United Kingdom

Preliminary list of participants - 09/04/2025

CAPGEMINI

A global leader in consulting, technology services and digital transformation

USA

CEIPIEMONTE S.C.P.A.

Piemonte automotive cluster and international agency

Italy

CERENCE

Develops AI products for vehicles

USA

CLEAN FUELS MICHIGAN

A nonprofit trade organization that advocates for the alternative fuel and electric vehicle industries.

USA

CLUFIX NORTH AMERICA INC.

Specialist in assembly functions and industrial fastening processes

USA

CONSTELLIUM

Produces customized aluminium automotive structures and Crash Management Systems for our OEM customers, and features advanced development and prototyping capabilities

USA

CONTINENTAL AUTOMOTIVE SYSTEMS, INC.

Develops, produces and integrates active and passive safety technologies and controls vehicle dynamics.

USA

CREAFORM (AMETEK)

Creaform has experience in delivering full-scale engineering services, staff outsourcing and training in product design, industrial design, engineering, and numerical simulation for major corporations and SMBs in many industries

Canada

DATASPEED INC

Highly engineered hardware and software tools to researchers and developers working on mobility and robotics solutions

USA

Preliminary list of participants - 09/04/2025

DENSO INTERNATIONAL AMERICA, INC.

DENSO is one of the largest global automotive suppliers of advanced technology, systems and components

USA

EXPLEO MICHIGAN

A global player in engineering, technology, and consulting, Expleo supports renowned organizations in transforming their operations and striving for operational excellence to secure their future together.

USA

DRIVESEC SRL

Drivesec supports Automotive and IoT industries to design, test and deliver products that are inherently resilient to cyber attacks

Italy

FEV NORTH AMERICA, INC.

Engineering

USA

DUMAREY AUTOMOTIVE ITALIA S.P.A.

Development and testing of powertrain solution (engine, transmission and control unit), both conventional and alternative fuels.

Italy

FONTAINE MODIFICATION COMPANY

Fontaine Modification has developed specific solutions which satisfy the detailed needs of companies that haul automobiles.

USA

EDF US INNOVATION LAB

Research & development company that explore new markets, innovative businesses and disruptive technologies for EDF Group in North America

USA

FORD MOTOR COMPANY

Car manufacturer

USA

Preliminary list of participants - 09/04/2025

FORVIA NORTH AMERICA

Faurecia US has become a key piece for the automotive industry thanks to its firm commitment to the digitization of processes, in which each plant can monitor its production in real-time, as well as analyze efficiency and action plans in detail.

USA

GENERAL CAB

Design and manufacturing of DC electric fans driven by brushed and brushless electric motors for engine and battery cooling, HVAC system of vehicles, thermal management

Italy

FORVIA NORTH AMERICA

Faurecia US has become a key piece for the automotive industry thanks to its firm commitment to the digitization of processes, in which each plant can monitor its production in real-time, as well as analyze efficiency and action plans in detail.

USA

GENERAL MOTORS

Car manufacturer

USA

GEOTAB

Geotab Inc. is a telematics company headquartered in Oakville, Ontario. The company develops products for use with motor vehicles.[citation needed] The company's products are primarily used for fleet management

USA

FRANKISCHE USA LP

Whether spray water line, battery cooling or tank ventilation - the automotive sector is a development partner for technically sophisticated corrugated pipes and fully assembled systems.

USA

GROUND POSITIONING RADAR - GPR, INC

GPR technology uses ground penetrating radar to capture unique, stable, and always-available subterranean data for autonomous vehicle positioning.

USA

FTE PERFORMANCE

FTE Performance Consulting is an operations management consulting firm that improves the efficiency of manufacturing and other industrial organizations.

USA

Preliminary list of participants - 09/04/2025

HITACHI ASTEMO AMERICAS, INC.
